SportGOLF COACHING
OPPORTUNITY**Matamata Golf Club Golf Coaching.**

Hello, my name is Mike Leeper and I am the GM at Matamata Golf Club.
I am writing to inform your sporting convenor/organizer that the Matamata Golf Club in Silk Road, Okauia has a level one golf coaching session to any of your students who wish to attend on Saturday afternoons at 4pm.
This is a free service for approx 1.5 hours as an introduction to Golf for those who wish to learn.
Golf is a great fun game with great sporting morals and disciplines while providing good physical exercise.
Could you please pass this on to any of your students/parents/caregivers for their information.
There are only a certain number that can attend so those first in will be the lucky ones.
If any of your students/parents require more information could they please contact the office at the golf club on 07 888 6109 or reply in writing to info@matamatagolf.co.nz.
